RE: USSN 132558 - Process for the Preparation of Optically Active Nicotine Analogue of Chavdarian and Sanders
Your D&O 79-9 Our PM 883A

Dear George:

Enclosed is the final action for PM 883A from Examiner Brust. Note that he has rejected claims based on the Buchel patent and Woller Chemistry of Organic Compounds (copy enclosed).

I have requested that the inventors review the action and we shall confer with you regarding the best approach in view of the newly cited references.

After you have had an opportunity to review the action, please call and let me know what you think.

Sincerely,

Susan A. Hutcheson
